Facebook

Please be aware our new Facebook page @graderuanschool is a Facebook account and not a private/closed group, as was previously the case. It is therefore a public platform with which to engage with our local community and beyond, sharing good news and celebrations to a wider audience, showcasing the great work going on here at Grade Ruan school. The Aspire Academy Trust oversees 36 individual school/academy Facebook accounts and has robust GDPR and safeguarding procedures in place. It does not operate private Facebook groups.

Please be assured that our new Facebook page will be carefully monitored both by us and by the Aspire IT/ Communications Team and only images of pupils (no names) with full media consent will ever be used.

In light of the change please [CLICK HERE](#) and complete a new image/media consent, one for each child. We would be very grateful if parents could do this over the weekend, where possible.

Dogs

We love to meet all your cute four legged friends however the new Aspire Parent Code of Conduct, which has been emailed out to everyone, asks that dogs do not come onto the playground for safety reasons, even when carried. Thank you or your understanding.
