

Grade Ruan Worship Team

Our Worship Team is here to help make a difference!

The Worship Team are chosen for their kind hearted and Christian-like attitude. They are expected to have a great knowledge of our school vision and values and be experts at demonstrating them around school.

They are asked to plan and lead worship, lighting the candle, reading or acting out a Bible story and saying prayers.

It is their job to create a wonderful Christian feeling to our school!

During their time as a Worship Leader the children can work towards gaining Bronze, Silver and Gold certificates of achievement.

BRONZE:

- + Prepare the worship table.**
- + Plan with teacher support and help to lead parts of an act of worship.**

SILVER:

- + Plan and lead worship using Roots and Fruits, finding passages from the Bible that can be used as the 'root' of our worship.**
- + Say the Lord's Prayer and talk about its meaning.**

GOLD:

- + Plan and lead each part of an act of worship independently, working with others to produce a drama, poem or power point. Ask for feedback from children to help you evaluate.**
- + Create a prayer or reflection station with others for part of our school.**
- + Explain the cycle of the Church calendar and the reasons Harvest, Christmas, Easter, Pentecost, Epiphany, Candlemas and Trinity are marked in special ways.**
