Year 5 & 6 Camp at Slapton Ley in Devon

We arrived and settled in, taking part in team games a curry night and an evening nature walk.

On day 2, after a delicious cooked breakfast, we headed down into the woods. We built camps and had them waterproof tested (not very) and started our own fires. We worked out which plants were edible and non-edible. Then we headed down to the stream and found out there were so many tiny creatures living there! We identified them using a key and sorted them into a simple graph. Heading back for tea then a campfire!

Last day of camp 2024: we packed up our rooms, had breakfast and headed to Torcross, where we found out its important role in WW2. We then played games on the beach which helped us think about some of the things the soldiers had to do on the beaches in Normandy. After lunch, we got back on the bus and headed for home. What a fantastic bunch of campers- can't wait for next year!
